
How to Join and Listen to Shyam Akaash

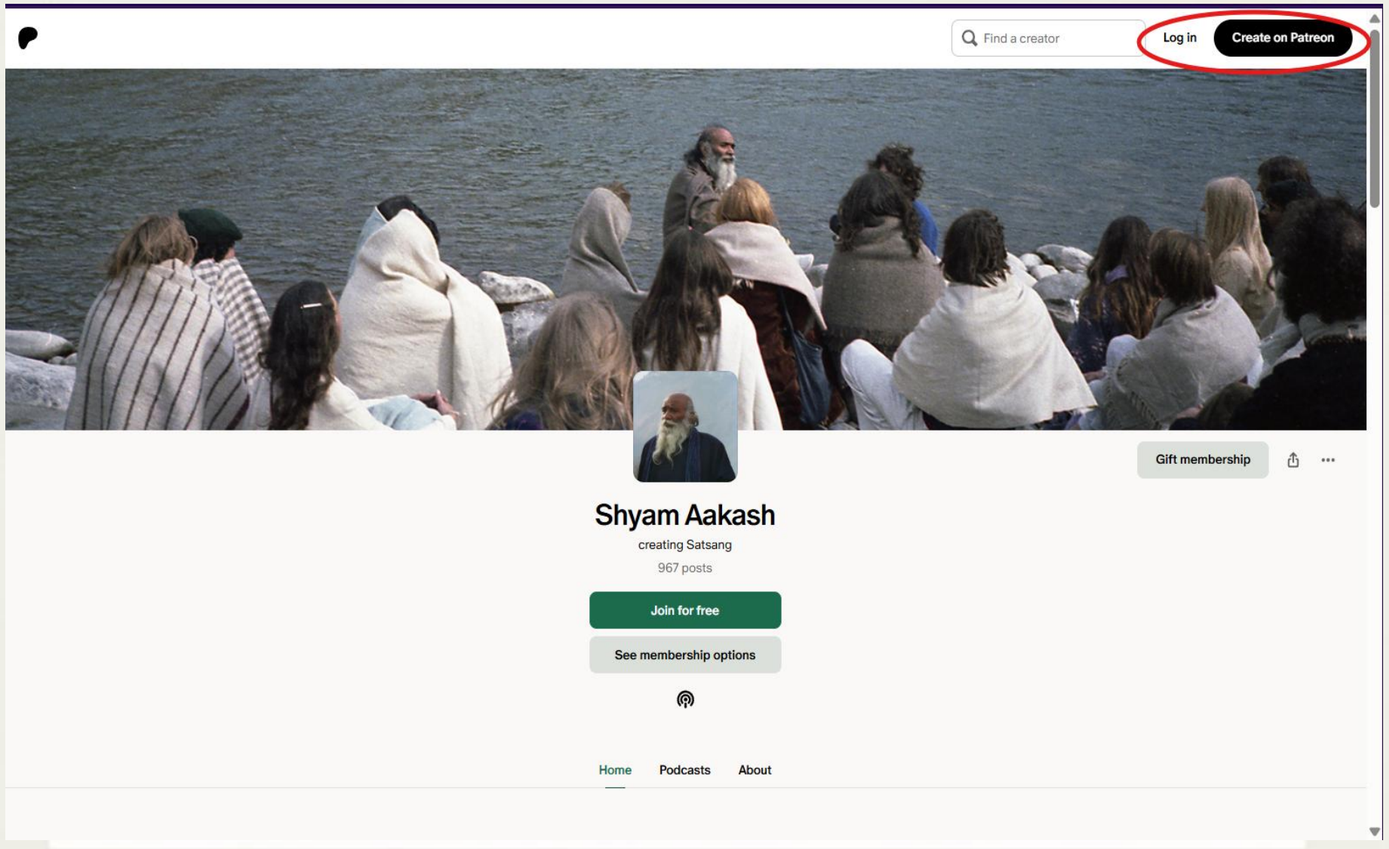
A step-by-step guide to setting up your Patreon account and accessing exclusive audio content on your preferred device.

NotebookLM

Navigate to the Shyam Akaash creator page and initiate sign-up

- Open your browser and visit: https://4thstate.ca/shyam_akaash and click on the Join on Patreon button
- If you already have a Patreon account, simply click 'Log in.'

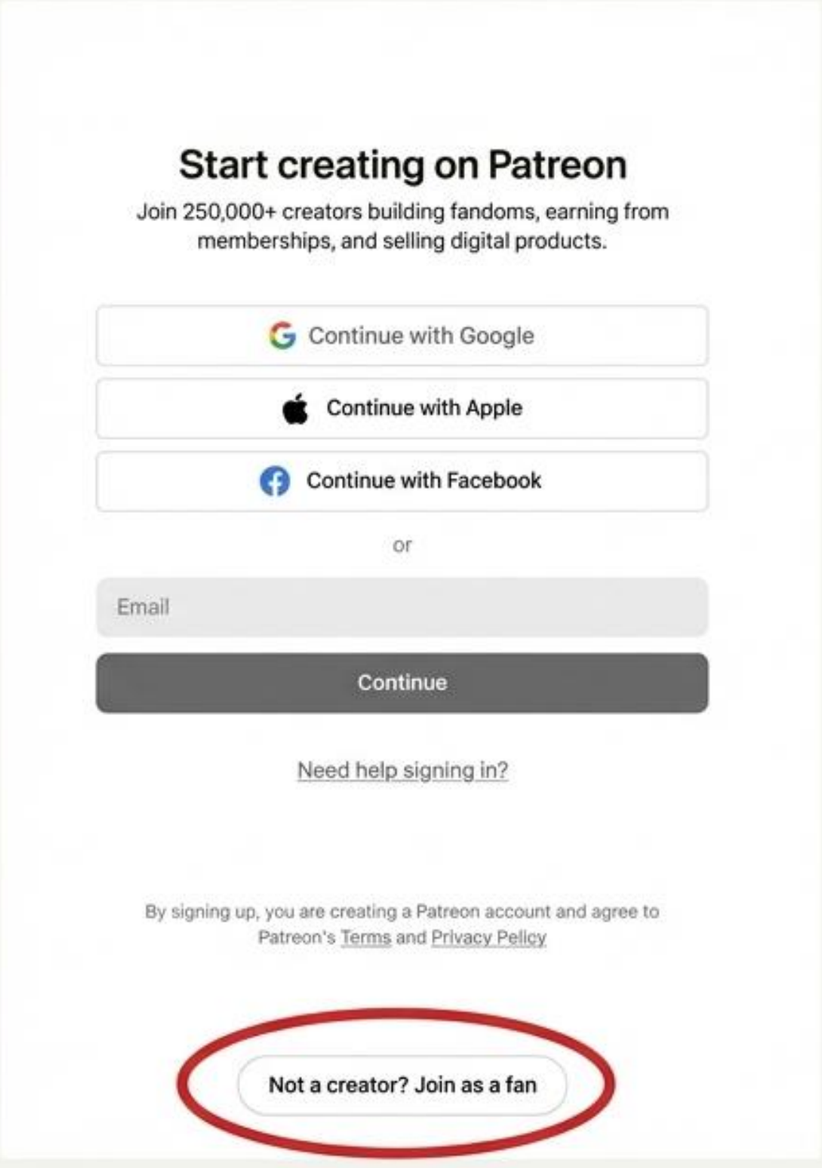
- If you are new, click 'Create on Patreon' or the 'Join for free' button to begin.



NotebookLM

Create your account by joining as a fan

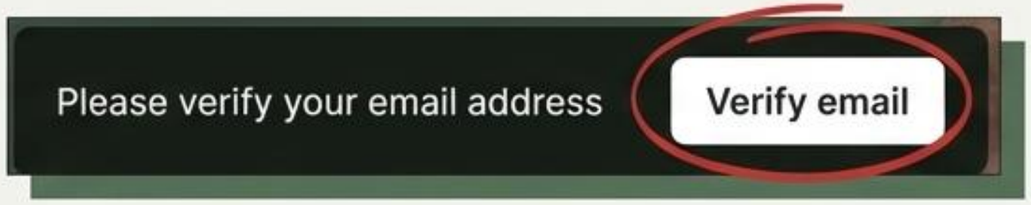
- Choose your preferred sign-up method (Google, Apple, Facebook, or standard Email).
- Ensure you select the ‘Not a creator? Join as a fan’ option located at the bottom of the screen.

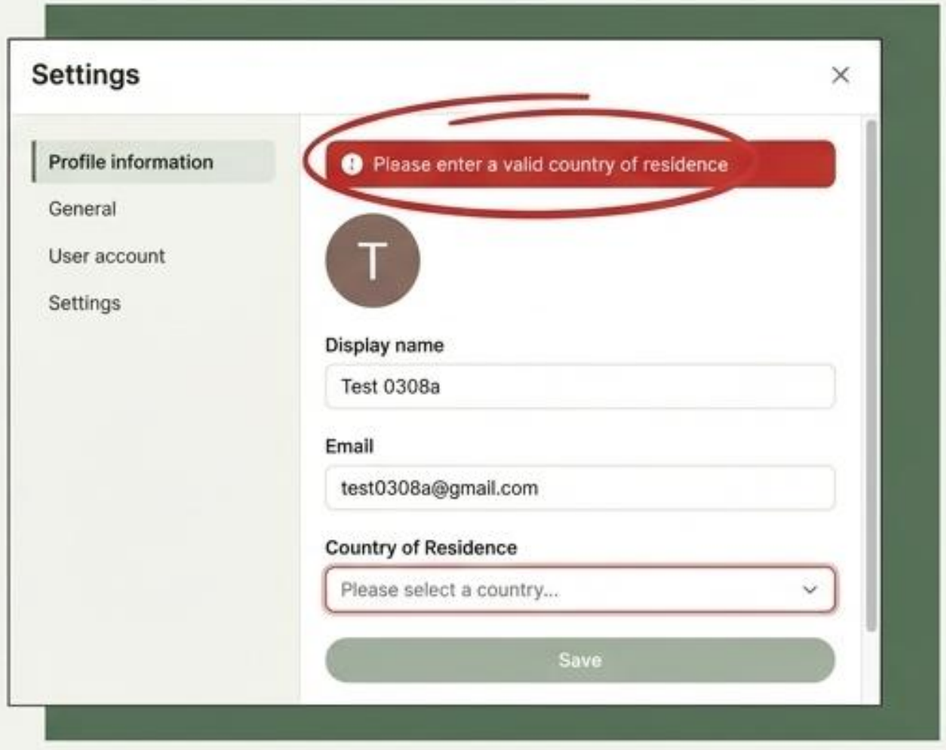


NotebookLM

Finalize your profile by verifying your email and location

- Check your screen for a banner prompting you to verify your email address and click it.
- Navigate to your profile settings, select your country of residence from the dropdown menu, and click Save.

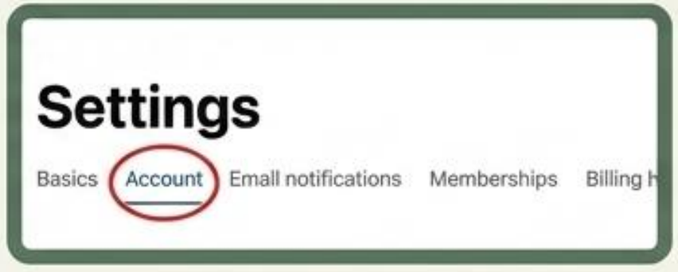


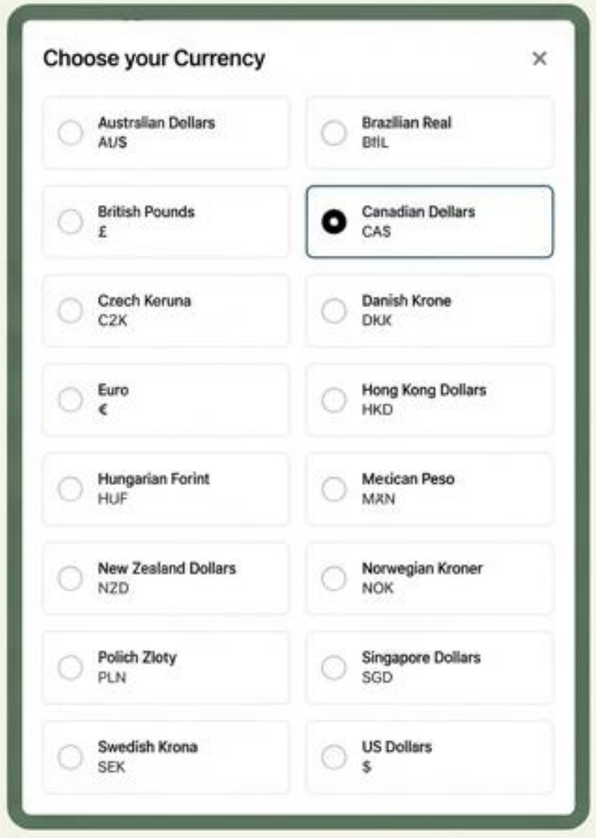


NotebookLM

Configure your preferred currency in account settings

- Inside your Settings menu, click on the 'Account' tab.
- Locate your currency preference and choose the option that works best for your location (e.g., USD, CAD).

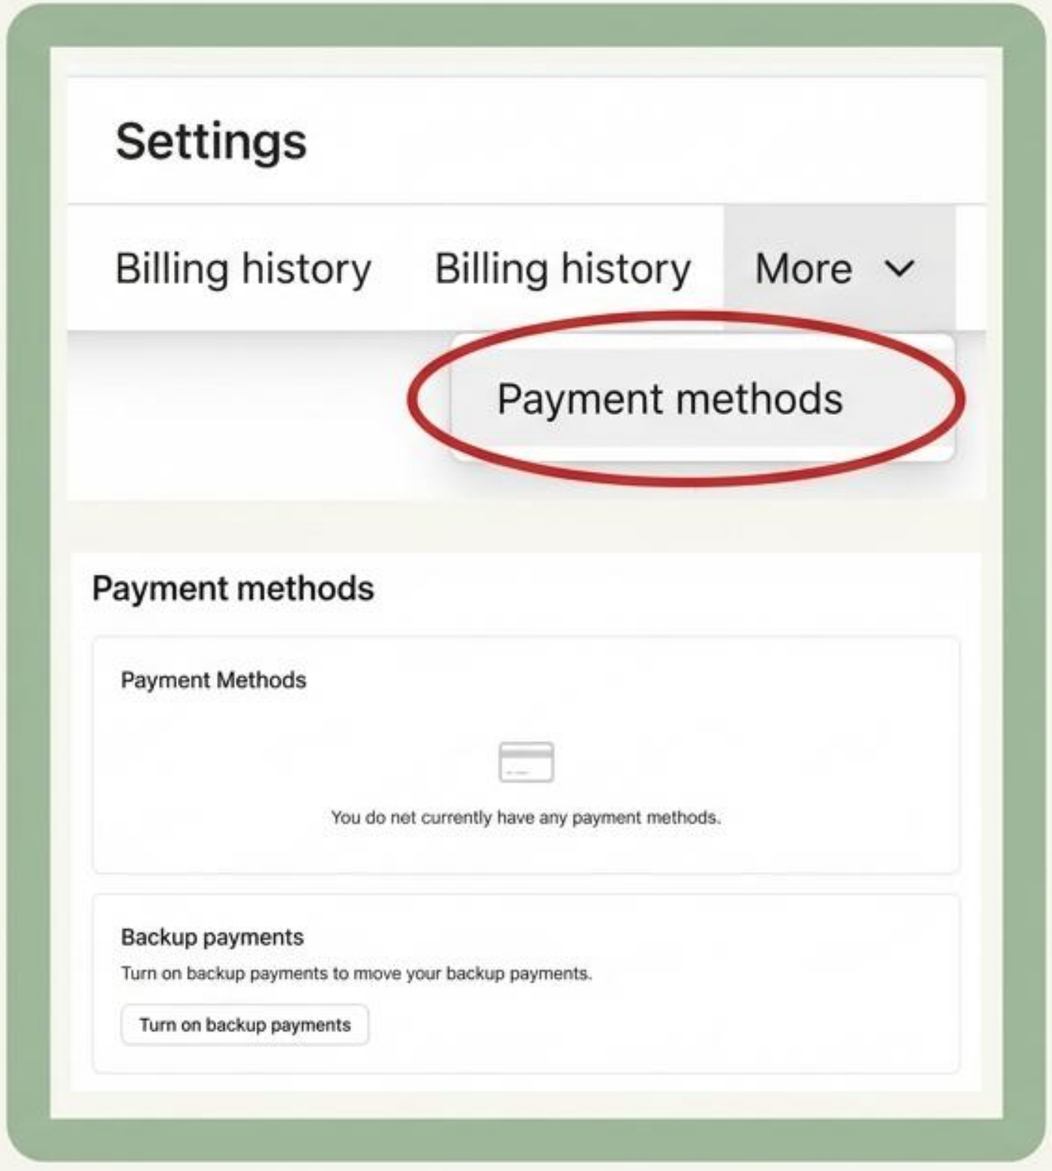




NotebookLM

Navigate to your billing history to manage payment payment options

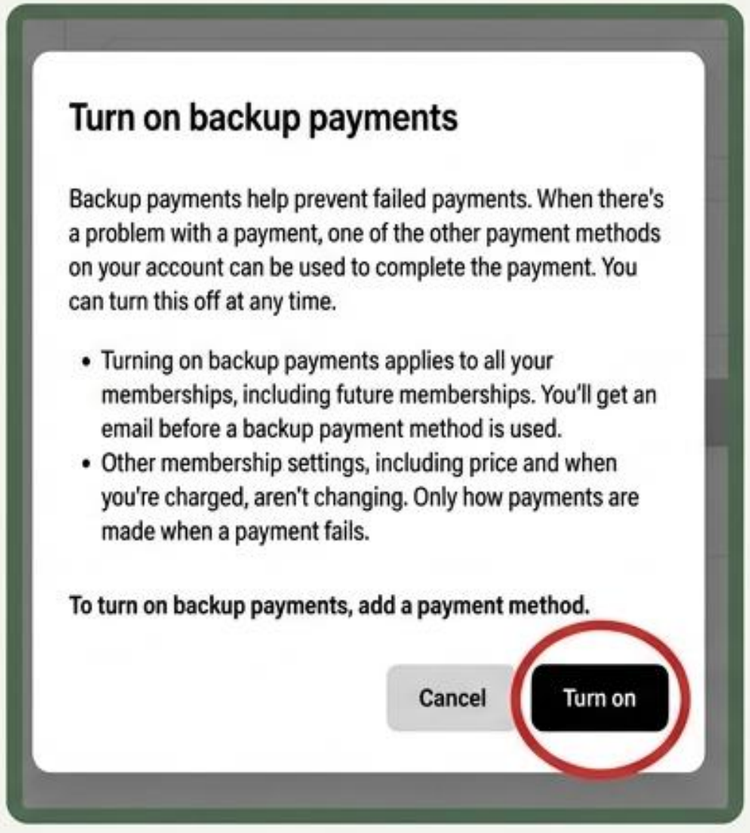
- From your settings dashboard, click on the 'More' dropdown menu.
- Select 'Payment methods' to open your billing dashboard.

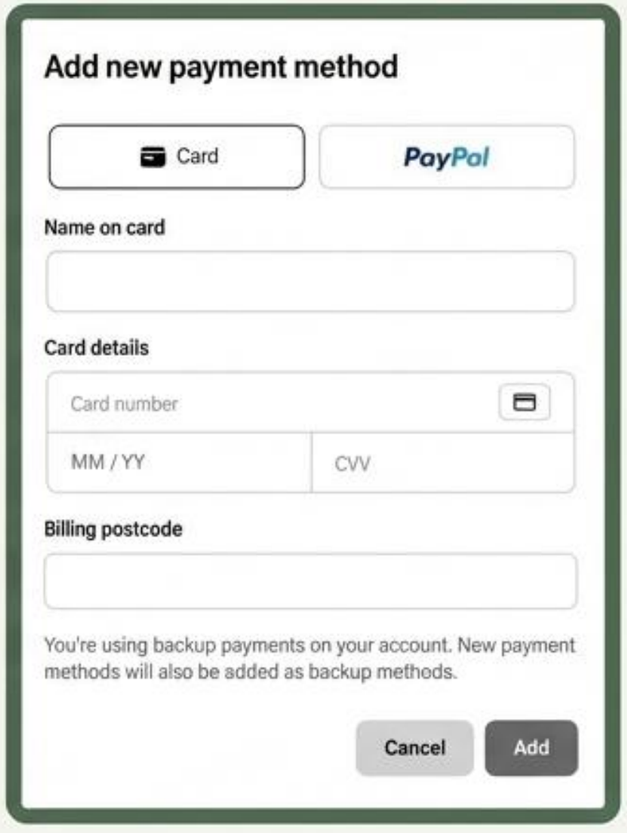


NotebookLM

Secure your access by enabling backup payments

- Click ‘Turn on backup payments’ to ensure you never lose access to your membership benefits if a primary payment fails.
- Add your preferred payment method by entering your Credit Card details or connecting your PayPal account.

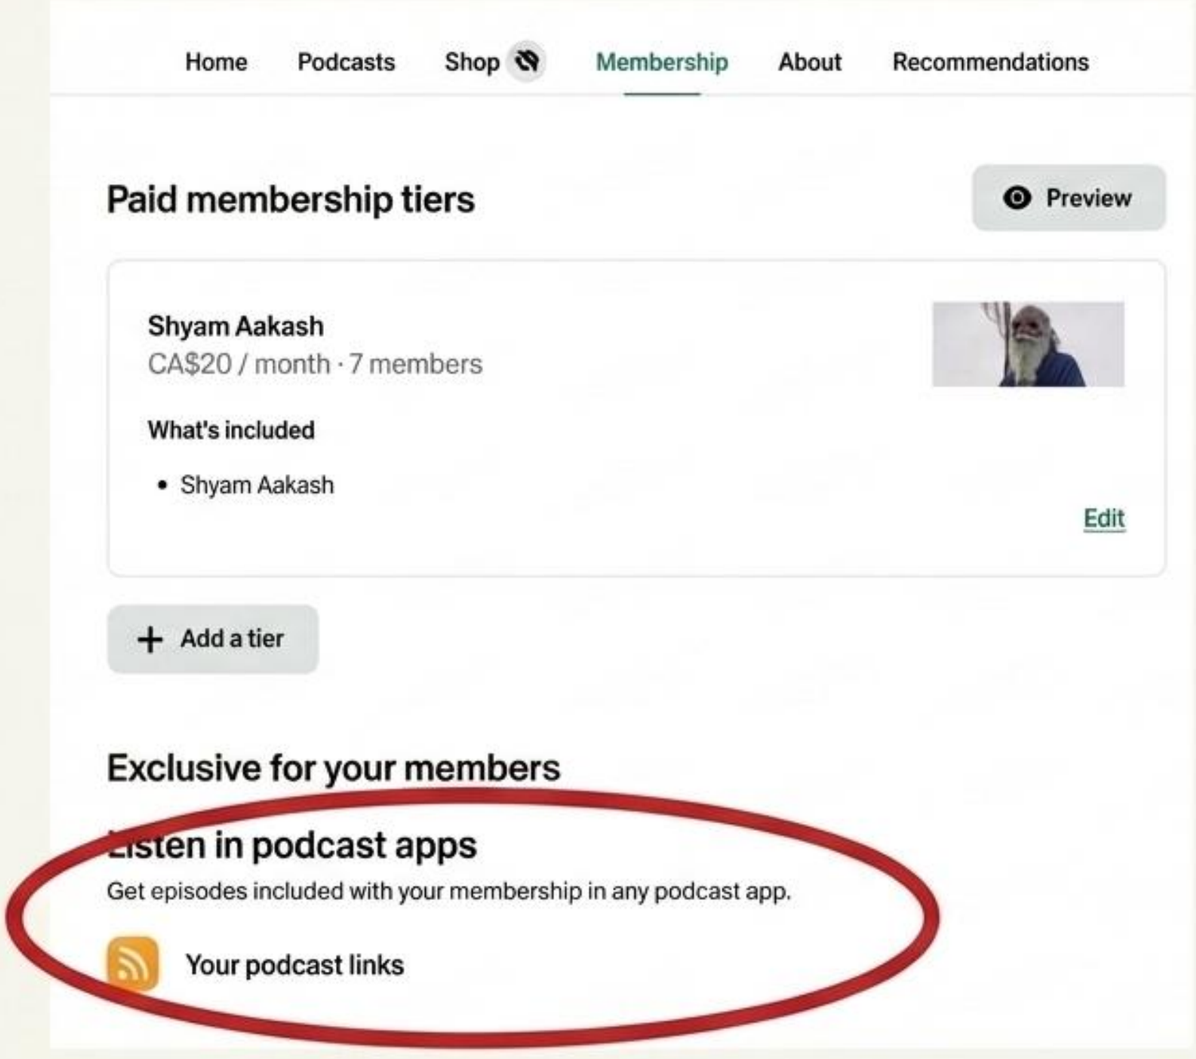




NotebookLM

Locate your exclusive podcast links in the membership hub

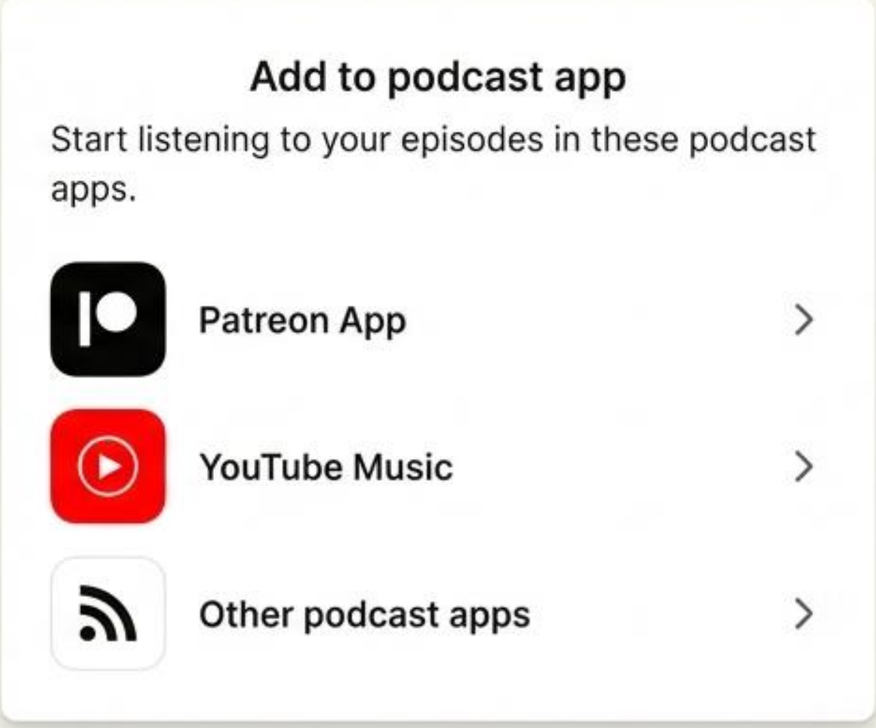
- Navigate directly to the membership hub
- Scroll down to the "Exclusive for your members" section.
- Look for the orange icon labeled "Listen in podcast apps" and click it.



NotebookLM

Select your preferred platform for listening on the go

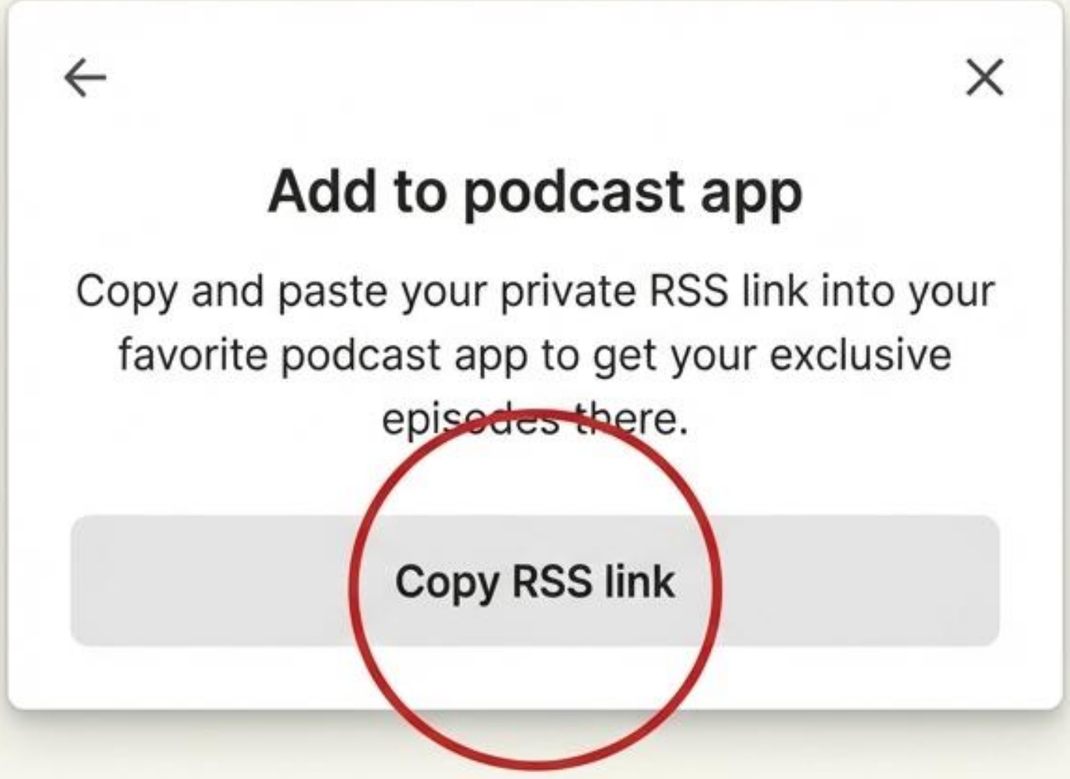
- **Apple Users:** You can easily add Shyam Akaash directly to Apple Podcasts.
- **Android and Windows Users:** The native Patreon app or website works perfectly for basic listening features.
- Choose YouTube Music or the Patreon App from the menu for instant setup.



NotebookLM

Use your private RSS link for advanced podcast apps

- Apps like Pocketcasts (great for Android and Windows) offer advanced features like custom playlists and favorites.
- Select 'Other podcast apps' from the menu.
- Click 'Copy RSS link' and paste it directly into your preferred third-party podcast player to subscribe.



NotebookLM

Start exploring the complete Shyam Akaash collection

- Your setup is entirely complete.
- Head directly to your curated library to see the whole list of satsangs available and listen in your browser.
- Enjoy the Satsang.
